EXPERIENCE

Infosys, Hyderabad— Systems Engineer

MONTH 2021 - Present

In October 2021, I began working with Infosys as a Systems Trainee. Got .NET Full Stack Developer. Then, I was promoted from Systems Trainee to Systems Engineer. Then I started working on a project. Project involves creating, updating and obtaining data using Postman API and SQL. When I request huge data, I employ a different strategy.

EDUCATION

Vardhaman College of Engineering, Shamshabad— B Tech(EEE)

June 2017 - March 2021

Secured 9 CGPA out of 10 CGPA

Narayana Junior College, Narayanaguda— Intermediate(MPC)
