• Manage and track bookings, Payment integration, Search filters

**My Portfolio** | D Naveen Kumar || Portfolio (link)                                    September 2023 - September 2023
• This website provides information about my technical skills and projects, showcasing my abilities and expertise.
• Technologies used : HTML CSS Javascript Git Github
• HTML enabled me to create my website. I mastered CSS properties like position, top, left, right, bottom, and media queries for responsive design. Additionally, I acquired skills in setting up a Git repository, connecting local to remote repository, and committing and pushing changes using GitHub.

## Skills

| | |
|---|---|
| Computer languages | HTML, CSS, Javascript, Java |
| Software Packages | Tailwind CSS, MySQL, React |
| Additional Courses Taken | Data Structure |
| Soft Skills | Communication Skills |

## Co-Curricular Activities

I am actively engaged in coding contests while also contributing to nature through tree plantation initiatives.
